TheNaughtySanta.com to Deliver Mischievous Holiday Cheer to Adults Nationwide

Online Web site allows delivery of personalized letters from Santa, Mrs. Claus, "Naughty Lists" and other holiday novelty items.

New York, NY – November 3, 2009. TheNaughtySanta.com launched the first of its kind Web site this week, allowing users to create personalized letters from Santa or Mrs. Claus telling anyone they choose just how "naughty" or "nice" they have been this year. Users can also choose from several Christmas novelty gifts to send along with letters such as a bag of coal, Christmas themed fuzzy handcuffs and a naughty Santa key chain. The site was created by James Glynn and Zachary Taylor from their apartment in New York City.

All TheNaughtySanta.com letters and packages will be shipped in discrete Christmas themed packaging, with a return address to either Santa or Mrs. Claus. Letter content is created based on the information supplied by the user, so it can be sent anonymously. As a current promotion, all letters mailed will be sent with an optional free Christmas themed condom.
